OAK LEAF:

Now the leading Poinsettia. It has taken the place of the True Red with all the leading growers. It holds its foliage, has beautiful red bracts and is the most graceful of all Poinsettias.

\$15.00, \$25.00, \$35.00 and \$50.00 per hundred

ST. LOUIS:

The most practical for smaller growers. Has a good color, a strong stem and hold its foliage. It matures just in time for Christmas at 55 degrees.

\$15.00, \$25.00, \$35.00 and \$50.00 per hundred

HOLLYWOOD:

Has beautiful red bracts similar to the True Red. Very easy to handle and holds its foliage. Matures at 54 degrees for Christmas.

\$15.00, \$25.00, \$35.00 and \$50.00 per hundred

WHITE:

This is a splendid novelty. Has a clean cream white color if grown a little shaded. Splendid for make up work.

\$15.00, \$25.00, \$35.00 and \$50.00 per hundred

TRUE RED

This was formerly the leading Poinsettia. It has the largest bright red crinkly bracts and grows on a short stocky stem. It is the most beautiful Poinsettia, but does not hold its foliage.

\$15.00, \$18.00, \$25.00 and \$30.00 per hundred

PINK:

Splendid novelty produces the best colored blooms, if grown a little shaded.

\$15.00, \$18.00, \$25.00 and \$30.00 per hundred

BLOCKED PINK and WHITE:

This is a splendid new novelty, excellent for make up work.

MRS. PAUL ECKE:

The best variety of all for pot plant purposes. Has heavy stem like the True Red: foliage of the Oak Leaf, but a little darker; bracts a little wider and much brighter red than the Oak Leaf. Will also mature at a little cooler temperature.
